Please continue to practice all the words we have learned to date. Our next summative will include all 60 words from Units 1 & 2.

Math

Focus This Week:

- Adding doubles
- Using doubles to add
- Double plus one and doubles minus one

Please focus on math facts with doubles to build fluency (1+1, 2+2...12+12). These facts must be memorized and automatic to provide support for the addition strategies in this chapter. A set of doubles flashcards will be sent home on Monday. Please practice these daily. It should take less than one minute to complete this task.

Classroom Notes

*We are very grateful to Mrs. Adams and Mr. Soliz for the time they shared with us last week! Thank you for presenting the art of Frida Kahlo to our class. The students' projects looked fantastic! Please take a moment to view the AVIC pictures we posted on Seesaw.

*Student newspapers will be available to purchase on Monday and Tuesday for 25 cents each. Purchasing a newspaper is a great way to stay informed about the great things that are happening at Indian Trail!

*Classroom snacks must adhere to the guidelines shared in the Back to School brochure. This document is available under downloads on my teacher page.

*Halloween reminders: Costumes are not to be worn all day at school. Weather permitting, students will put costumes on over their clothing for the costume parade. Only non-food items may be sent to school to pass out as Halloween treats. Many thanks to all of the parent volunteers for making Fall Fest possible! We are looking forward to a great time at Fall Fest.

*Report cards will be sent home in students' folders on Friday, November 2nd. If you have questions or concerns, please do not hesitate to contact me over the weekend. Unfortunately, the district email is not syncing properly on my mobile device. I can see and respond to Seesaw messages easier than email over the weekend.
