Assessment on 3/21

1. baby
2. begins
3. eight
4. follow
5. learning
6. until
7. years
8. young

Math - Chapter 9

Measurement and Time

Focus This Week:

- Compare lengths
- Use non-standard units to measure an object
- Tell time by the hour and half hour

Please continue to practice math facts daily. Please feel free to use Xtra Math, flash cards, or oral practice. This can be as simple as saying, "What is 8-5?" Thank you for helping your child master basic math skills!

Science - Animal Survival

Social Studies - One Nation, Many People

Looking Ahead

Spring Picture Day

Wednesday - Technology, + P.E.

Thursday - P.E.
Last Day of 3rd Quarter
Chorus Concert- 7 pm at SHJH

Friday - P.E.
Pasta for Pennies Ends Today

Classroom Notes

*Our class enjoyed the Kids Heart Challenge Party on Thursday! They watched Disney's Jump In! movie with popcorn and juice!

*NO SCHOOL from March 23-31. We have so much to learn before school ends in June. I look forward to springing into learning when we return from break. We will be working hard each day until the last day of school!

*Please discuss bathroom expectations with your child at home. We have had several issues involving students locking stall doors and crawling on the bathroom floor to get out of the stall without unlocking it. We are also having issues with students not flushing the toilets. These issues are not happening when we go to the bathroom as a class. They are occurring when children are trusted to leave the room alone.

Bathroom Expectations

1. No talking in the bathroom.
2. Respect the privacy of others in the bathroom.
3. Lock the stall when you enter, and unlock it when you exit.
4. Flush the toilet each time you use it.
5. Wash and dry your hands.
