

Thank you to all the eighth-grade boys that tried out for the basketball team this year. The tryout selection process is never an easy one for any coach. I encourage all of you that did not make the team to continue working on your game. There are many other avenues where you can continue to improve your game at a competitive level.

Congratulations to the following students for making the 2023 – 2024 Summit Hill Spartans' eighth grade boys' basketball team. The first practice will be held tomorrow, Thursday, October 19th from 2:30PM – 4:30PM. Part of the practice may be conditioning outside. Please be prepared. Please make sure you have on time transportation to pick you up from practice.
