SOCIAL INFERENCING worksheet
USING REAL PHOTOS

I see (body language, expressions)... girl holding knee bike on ground eyes closed mouth open trees girl is alone	I know... trees are outside you had your knee when you are in pain you can fall off a bike	I can guess (what they are thinking)... I am hurt. I can't believe I fell off my bike. How will I get home?
---	---	---

What is the girl probably thinking?

The girl is probably thinking that her knee hurts from falling off her bicycle.
