

Weekly Update

May 18th-22nd

Hi Room 112 Families,

We have reached the final week of Remote Learning. What a strange and bittersweet time it is. I'm grateful every day to have had the privilege of teaching your children. They will forever be in my hearts and I will miss each one of them dearly as they move on to first grade.

Our final Zoom Class meeting is Thursday, May 21st at 2:30pm. I would love to see as many of your children as possible, but obviously understand you all have a lot going on. We will do a short scavenger hunt, a story, and final share.

Supply pick-up for families will be May 22nd. More information will be forthcoming from district office.

Finally, I can't thank YOU enough for your support. Thank you for helping your children with their school work and continuing their learning at home. You are all amazing. I'm very lucky to have such supportive families. I hope you and your family have a relaxing summer. I look forward to seeing you all around the community or around Rogus in the coming years.

Thank you,
Mrs. Leatzow
